

North Walsham Think Carer Network

Privacy Notice

The North Walsham Think Carer Network is a network of local support groups who communicate and share information with one another for the benefit of those they exist to support.

To enable the Network to function it needs to gather, store and make available personal contact information for some of those who are the 'named contacts' of member organisations. This information will be updated regularly and held for as long as your group is a member of the Network.

We use your contact information to notify you of meetings and other relevant Network activities. Your information is also included in the Think Carer Network Contact List, which is used to enable groups and individuals to contact relevant local organisations on behalf of their group or members. This information may also become publically available as we may share contact information at public events with individuals who wish to contact your group e.g. At the North Walsham Funday. We may also provide public access to this information by posting our Network Contact List on our Facebook or web page.

We need your consent to do this. If you wish to give your consent, please sign below. You can withdraw your consent at any time.

You have the right to complain to the Network Steering Group and to the Information Commissioner's Office if you have any problem with the way we are handling your data. See relevant telephone numbers below.

For more information on the General Data Protection Regulation (GDPR) contact the Information Commissioner's Office on 0303 123 1113 or at ico.org.uk

You can contact the Network Steering Group through the Community Shop, 1 Market Place, North Walsham NR28 9BP. Telephone 01692 409141

I consent to my contact details being used by North Walsham Think Carer Network for the purposes described aboveⁱ.
